

REMARKS

Applicant respectfully requests entry of the foregoing amendment prior to the prosecution of the application.

This Preliminary Amendment corrects two obvious typographical errors in the specification and puts the claims into proper form for examination. Note that all of the claims (claims 1-18) have been amended. Kindly calculate the filing fee based on the amended claims.

This Application contains a translation of the abstract as it was when originally filed by the Applicant. No account has been taken of any changes that may have been made subsequently by the PCT Authorities acting ex officio, e.g., under PCT Rules 37.2, 38.2, and/or 48.3.

The Examiner is encouraged to telephone the undersigned attorney to discuss any matter which would expedite allowance of the present application.

Respectfully submitted,

HASSANE ESSAFI, ET AL.
